Updates for the domain shown below have been completed. If the domain was updated before 18:00 Eastern Standard Time on a business day, the domain name will be included in today's root server update - about 22:00 Eastern Standard Time. Otherwise, it will be in the root server update for the following business day. The domain name record will be visible via "whois" tomorrow morning.

The domain template can be used to replace a contact with a different contact or register a new contact, but can not be used to update the record of an existing contact. To update information associated with the administrative, technical, or billing contact (for example, a change of postal address, phone number, or e-mail address for a contact), please use the contact template available at:

<ftp://rs.internic.net/templates/contact-template.txt>

The domain template can be used to replace existing name servers with new name servers, but can not be used to change the name or IP address of an existing host. To update the name or IP address of a host, please use the host template available at:

<ftp://rs.internic.net/templates/host-template.txt>

An initial charge of \$100.00 USD will be made to register the Domain name. This charge covers any updates required during the first two (2) years. The Billing Contact listed in Section 6 will be invoiced within ten (10) days of Domain name registration. For detailed information on billing, see:

<ftp://rs.internic.net/billing/billing-procedures.txt>
<http://rs.internic.net/guardian/>

The party requesting registration of this name certifies that, to her/his knowledge, the use of this name does not violate trademark or other statutes.

Registering a Domain name does not confer any legal rights to that name and any disputes between parties over the rights to use a particular name are to be settled between the contending parties using normal legal methods. See RFC 1591 available at:

<ftp://rs.internic.net/policy/rfc1591.txt>

By applying for the Domain name and through the use or continued use of the Domain name, the applicant agrees to be bound by the terms of NSI's then current Domain name policy (the 'Policy Statement') which is available at:

<ftp://rs.internic.net/policy/internic/internic-domain-4.txt>

(If this application is made through an agent, such as an Internet Service Provider, that agent accepts the responsibility to notify the applicant of the conditions on the registration of the Domain name and to provide the applicant a copy of the current version of the Policy Statement, if so requested by the applicant.) The applicant acknowledges and agrees that NSI may change the terms and conditions of the Policy Statement from time

to time as provided in the Policy Statement.

The applicant agrees that if the use of the Domain name is challenged by any third party, or if any dispute arises under this Registration Agreement, as amended, the applicant will abide by the procedures specified in the Policy Statement.

This Registration Agreement shall be governed in all respects by and construed in accordance with the laws of the United States of America and of the State of California, without respect to its conflict of law rules. This Registration Agreement is the complete and exclusive agreement of the applicant and NSI ('parties') regarding Domain names. It supersedes, and its terms govern, all prior proposals, agreements, or other communications between the parties. This Registration Agreement may only be amended as provided in the Policy Statement.
